QuickStart On-line Certification

QuickStart On-line is an excellent way for doctors and staff to learn the basic procedures and ligation techniques necessary to get started with iBraces. The course is FREE and can be found at www.ibracestraining.com. Participants who complete the course can purchase an iBraces New Doctor Kit on-line for \$49.95 which includes a 2007 iBraces/Incognito Clinical Guide (\$199.95 value), iBraces Quick Procedures Guide, case submission supplies, marketing packet, patient brochures and more! NEW – the iBraces Enhanced New Doctor Kit which includes all of the above plus a typodont and impression material is also available - call for pricing.

QuickStart Classroom Certification

iBraces QuickStart Classroom Certification is an introductory course for orthodontists and orthodontic staff. The course objective is to provide an overview of the iBraces technique and in-depth look at key clinical procedures, case selection and presenting iBraces to patients. Participants who complete the course should be prepared to begin treating patients with iBraces. Doctors who complete the QuickStart classroom certification will receive an iBraces New Doctor Kit **FREE (CE Credit 4 Hours)**.

Lingual Mechanics I

This is a one-day, hands-on, full day typodont course for doctors and staff who have already completed QuickStart Certification. The focus is on basic lingual mechanics for treatment of extraction and non-extraction patients, treatment planning, and clinical procedures. Each participant is required to bring instruments. **\$495 for doctors, \$295 for staff (CE Credit 7 Hours)**

In-Office Course and Lingual Mechanics

The in-office course features a full day of case studies, typodont exercises with a focus on more advanced mechanics and a half day in the clinic of an experienced iBraces practitioner. This is an excellent course for those who have some experience treating patients with the iBraces technique and want to learn practical tips and see a variety of patients and clinical procedures. Upon successful completion of the course, participants receive a Certificate of Completion. **\$1,250 per doctor, one staff member FREE (CE Credit 11 Hours)**
